DAY 4 NP MLJET - LASTOVO (B, L, T, D)

After breakfast, depart towards Lastovo, the largest island of the archipelago of the same name. Lastovo was a military base for the Yugoslavian Army and therefore closed for tourism till 1989. That is one of the reasons why the island kept its natural wooded beauty and sense of isolation. The central town of the island is located inland, which is very unusual for the islands, this is because the inhabitants had to hide from the pirates who tried to conquer this island many times during the past. After lunch on board, there will be a transfer to Lastovo town, a very picturesque town with old stone houses set on a slope. Wine tasting at the local winery. Dinner onboard and overnight in the port.

DAY 5 LASTOVO – VIS or KOMIŽA (B, L)

Today's destination is the island of Vis, lately known as the filming location of Mamma Mia 2. Swim stop and lunch on board on the route. Upon arrival to Vis, time at leisure to explore the main filming locations around the island: the Vis harbour, the Barjoška bay, the market, Barjaci – where the big Abba performance was filmed and many, many others. Possible to rent scooters/cars to visit the rest of the island on your own. Plenty of beautiful sights and dining places to discover in the evening. Overnight in Vis or Komiža.

DAY 6 VIS or KOMIŽA, BIŠEVO (BLUE CAVE) – HVAR, STARI GRAD (B, L)

Morning departure towards the small island of Biševo and its famous Blue Cave, a splendid and unique geomorphological natural wonder. A hypnotising silver-blue light illuminates the space inside the cave (entrance fee to be paid on the spot). The visit will depend on weather & tide conditions. Afterwards, navigation to Hvar, the sunniest Adriatic Island and the jet-set destination. Upon arrival, time at leisure to explore Hvar, walk through the smooth cobblestone streets, check out the oldest communal theatre in Europe (set above the "Arsenal" at the local square), or just take a cup of coffee at one of many terraces and feel the vibe. A bus will be ready for the excursion with lunch to Stari Grad, the oldest town in Croatia! The first settlers were the Greeks from the island of Paros in the Aegean Sea, who established the colony in the year 384 B.C. and named the town Pharos. Learn more on a guided tour. Overnight in Stari Grad.
